#### **Sustainability and Social Responsibility of the Media and in the Media**

Milan Todorovic, Samuel O. Idowu, Silvia Puiu, 2026-01-01 This book addresses several relevant questions that keep coming up as the media sector develops and changes Although the field of media is multifaceted it is still dominated by very large commercial interests The multitude of platforms devices formats and technologies spread across different market segments are often controlled within the same value and supply chain are diagonally integrated and are tightly regulated by a set of changing and evolving community rules Therefore this book discusses a wide range of issues related to notions of media in various corporate independent and operational contexts of ethics ownership authorship originality trustworthiness economic social and even environmental sustainability In this context the book considers the notion of sustainability and social responsibility in media contexts from a variety of new unbiased and diverse perspectives making it valuable for researchers and practitioners

*Law and the Digital Reanimation of the Dead* Pranav Menon, 2026-02-09 This book analyzes the legal tensions that exist in the economy that purports to reanimate the dead using postmortem digital technologies Technological reanimation has proven to be big business with many notable commercial entities investing in this afterlife economy Postmortem technologies convincingly replicate the appearance physiognomy conversation styles and thought patterns of a

deceased individual by generating digital copies that act in their stead In the entertainment industry new works can be created with dead celebrities through a postmortem copy that is managed by their representatives The result is an economy in which the dead are offered as a product or service to consumers with some having their artistic legacies extended past death through an afterlife career Many stakeholders stand to benefit from such a lucrative afterlife economy but the law is simply not prepared for the issues that will arise with this exploitation of the dead Reanimation requires the exploitation of one's reputation persona artistic works and personal data However the corresponding legal protections are either nonexistent inapplicable or inconsistent across borders depending on which posthumous interest is analyzed In response and by studying the contours of the existing legal protections in the afterlife economy this book proposes a system rooted in the shared ownership of one's postmortem copy and the responsible stewardship of legacies through fiduciary duties Law and the Digital Reanimation of the Dead will be of considerable interest to scholars working in the areas of entertainment law intellectual property and law and technology as well as others with professional interests in the area **Artificial**

Today Ai Video Generator 2025: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
