The Impact of USA Patriot Act on American Society Kam C. Wong,2007 Much has been written about the USA Patriot Act and the controversy that surrounds this far reaching legislation has also generated a great deal of confusion and uncertainty about its impact and importance in the war on terrorism As Professor Kam C Wong notes in this important contribution to the literature There is little scholarly research on the legislation implementation and impact of the Act Undoubtedly few Americans are actually aware of most of the details in the Act or its implications in a free society The events of September 11 2001 in attacks on the World Trade Centre and the Pentagon prompted a unique response by Congress in passing a series of wide reaching laws expanding the powers of law enforcement and the judiciary Of particular concern to many are the requirements of public and private organisations to provide information in connection with homeland security that is considered intrusive and in violation of privacy rights Ultimately it will be many years before the actual impact of the Patriot Act can be assessed In this new and important book Professor Wong provides a critical analysis of the legislation and its capacity for abuse The Times Parliamentary Debates ,1893 **How to Organize and Operate a Small Business** Clifford Mason Baumbach,Kenneth Lawyer,1979 **Engineering Record, Building Record and Sanitary Engineer** ,1915 **National Union Catalog** ,1978 Includes entries for maps and atlases *The Australian Law Times* ,1916 **The Indicator** ,1895 The Menace to Business of the Sherman Anti-trust Act ,1910 *Magisterial Cases* ,1902 *A Treatise on the Law, Privileges, Proceedings and Usage of Parliament* Thomas Erskine May,1917 *Law Office Guide to Purchasing Legal Malpractice Insurance* ,2000
