**THE ONLY INVESTMENT GUIDE FOR TEENS YOU'LL EVER NEED** Mark Denham, 2022-09-11 Have you ever wondered how it feels to be a millionaire? Imagine never having to worry about money and being able to buy anything you want. Sounds like a dream, right? But let's not rush. First, let me welcome you and congratulate you. Yes, you read the congratulations right. Because if you are a teenager or even a more mature person but you are a beginner in the world of finance and you are reading these lines, I have excellent news for you: it means that you are part of that 1% that has within himself that flame to be able to change his financial situation for the better and have the life he has always dreamed of, and that every person deserves. But let's get to it. Did you know that you can become a millionaire simply by investing the money you earn from simple activities such as, for example, delivering pizzas one evening a week? Thanks to the stock market and the effect of compound interest, a sum of money you invest today will grow until it reaches a much more significant amount later. The secret is to start now; you have already lost a lot of money by not having acted up to this point, but we're here to fix it. The average American waits until the age of thirty-one to start saving and investing for retirement, which is why he ends up being 2.5 million poorer. I know it's easy to get overwhelmed with questions like where to start. What if you don't have enough funds to invest? Or how can I get rid of my money-wasting habits? The good news is this: Mark Denham's investment guide for teenagers will answer all your questions and more. In *The Only Investing Guide for Teens You'll Ever Need*, the main investor, Mark Denham, using understandable and straightforward language, has created a real practical guide for anyone who wants to seriously start to change their life, proposing a concentrate of 34 chapters to help young investors achieve the
