Dear Riley,

I am writing to express my interest in the Green Energy Consultant position that is currently available at your firm. I am a highly experienced professional with over 10 years of work experience in the field of green energy consulting, specifically in Denmark. I am excited about the opportunity to relocate to Spain and bring my skills and expertise to your team.

In my current role as a Green Energy Consultant at Novorésumé, I have been responsible for leading the development and implementation of sustainable energy solutions for both commercial and residential clients in Denmark. I have extensive experience in project management, energy efficiency assessments, and renewable energy project development. I have a proven track record of success in leading and delivering projects on time and within budget, with a focus on driving sustainable growth and reducing carbon footprint. Specifically, I have led the implementation of renewable energy solutions that have resulted in a reduction of 35% in carbon emissions for commercial clients and a 20% reduction for residential clients.

I am particularly excited about the opportunity to work on large-scale, sustainable energy projects in Spain. I believe my experience in sustainable building practices and energy efficiency assessment would be a great asset to your team. I am also excited about the prospect of working with a new team and learning from the diverse perspectives of my colleagues.

I am proud to have won two awards for my work in the field of green energy consulting, the first one being "Best Renewable Energy Project of the Year" by the Danish Energy Association in 2017, and the second one being "Top Energy Consultant of the Year" by the Danish Consulting Association in 2020.

I would welcome the opportunity to discuss my qualifications further and learn more about the opportunity to join your team. Please feel free to contact me at any time to schedule an interview.
