Interdisciplinary Analyses of Professional Basketball Till Neuhaus, Niklas Thomas, 2024-01-03 This edited collection conceptualizes professional basketball not just as a sport but as an historically culturally and economically embedded entity. The chapters analyse the fact that the sport of basketball contains alternative logics that can easily clash and by treating professional basketball as the negotiation place of these multiple demands ideas and logics the editors have identified three areas in which these clashes manifest the realization of the game the cultural impact of professional basketball and the global outreach of professional basketball. The book is explanatory and qualitative offering new perspectives and touching on topics including gender diversity racism and minority experiences within professional basketball. As such it will be of interest to sport sociologists as well as those researching the history of sport sports marketing and cultural studies. **Routledge**

Handbook of Sports Marketing Simon Chadwick, Nicolas Chanavat, Michel Desbordes, 2015-12-22 Sports marketing has become a cornerstone of successful sports management and business driving growth in sport organisations and widening fan bases. Showcasing the latest thinking and research in sports marketing from around the world the Routledge Handbook of Sports Marketing goes further than any other book in exploring the full range of this exciting discipline. Featuring contributions from world leading scholars and practitioners from across the globe the book examines theories concepts issues and best practice across six thematic sections: brands sponsorship ambush marketing fans and spectators media and ethics and development and examines key topics such as consumer behaviour marketing communications strategic marketing international marketing experiential marketing and marketing and digital media. Comprehensive and authoritative the Routledge Handbook of Sports Marketing is an essential reference for any student or researcher working in sport marketing sport management sport business sports administration or sport development and for all practitioners looking to develop their professional knowledge. **Sports Marketing**

Daniel J. Bruton, 2015-02-13 In Sports Marketing The View of Industry Experts industry leaders discuss how they achieved their position what their daily schedules look like and what interesting projects and challenges are currently upon them. Through these bios readers will get a behind the scenes look at the many different opportunities available in the wide field of sports marketing as well as a look at the fundamentals of the positions described.

Middle Class Shanghai Cheng Li, 2021-05-11 The United States may be headed toward a disastrous conflict with China unless Washington updates its understanding of contemporary Chinese society. After four decades of engagement the United States and China now appear to be locked on a collision course that has already fomented a trade war seems likely to produce a new cold war and could even result in dangerous military conflict. The current deterioration of the bilateral relationship is the culmination of years of disputes disillusionment disappointment and distrust between the two countries. Washington has legitimate concerns about Beijing's excessive domestic political control and aggressive foreign policy stances just as Chinese leaders believe the United States still has futile designs on blocking their country's inevitable

rise to great power status Cheng Li's *Middle Class Shanghai* argues that American policymakers must not lose sight of the expansive dynamism and diversity in present day China. The caricature of the PRC as a monolithic Communist apparatus set on exporting its ideology and development model is simplistic and misguided. Drawing on empirical research in the realms of higher education, avant garde art, architecture and law, this unique study highlights the strong constructive impact of bilateral exchanges. Combining eclectic human stories with striking new data analysis, this book addresses the possibility that the development of China's class structure and cosmopolitan culture exemplified and led by Shanghai could provide a force for reshaping U.S.-China engagement. Both countries should build upon the deep cultural and educational exchanges that have bound them together for decades. The author concludes that U.S. policymakers should neither underestimate the role and strength of the Chinese middle class nor ostracize or alienate this force with policies that push it toward jingoistic nationalism to the detriment of both countries and the global community. With its unique focus, this book will enlighten policymakers, scholars, business leaders and anyone interested in China and its increasingly fraught relations with the United States. **The New York Times Index**, 2006 *Brandweek*, 2005 **The Official Washington Post Index**, 1983

Blue Ribbon College Basketball Forecast Chris Dortch, 2002-10. A one stop source for the media, coaches, players, NBA scouts and serious fans. **TV Guide**, 2000 **Mediaweek**, 2008-10 *The Washington Post Index*, 2008 **Lodging**, 2008 Canadian Business, 1996 *Black Enterprise*, 2005-02 *Bacon's TV/cable Directory*, 2006 *USA Today Index*, 1994 Advanced Theory and Practice in Sport Marketing Eric C. Schwarz, Jason D. Hunter, 2017-12-18. Effective marketing is essential for any successful sport organization, from elite international teams to local leagues. Now in a fully revised and updated third edition, *Advanced Theory and Practice in Sport Marketing* is still the only text to introduce key theory and best practice at an advanced level. This new edition goes beyond the introductory marketing course by exploring advanced marketing theories related to social responsibility, global issues, information systems, consumer behavior, product management, logistics, sales, promotions and social digital mobile media. New to the edition are sections on branding, destination marketing and performance evaluation that demonstrate how to measure impacts through sport marketing and how to use analytics to determine sport marketing success. Every chapter contains extended case studies and theory to practice insights from marketing professionals around the world and a companion website includes an impressive array of additional teaching and learning resources. *Advanced Theory and Practice in Sport Marketing* goes further than any other textbook to prepare students for the real world of sport marketing. It is essential reading for any upper level undergraduate or postgraduate course in sport marketing or sport business. **Economics of Sport** Mark J. Eschenfelder, Ming Li, 2007. Written for students with some exposure to economics concepts and analysis, this book defines the sport industry and reviews economic concepts before examining in detail such central issues as benefits and costs, the theory of the firm, profit maximisation as a major motivator and alternative motivators in non profit organisations. *Business Week*, 1985 **Marketing, Principles**
