Rudiments of Christian History Michael Petruzzelli, 2021-07-02 Rudiments of Christian History An Outline of Persons Events and Teachings is written in the format of an informal outline which presents a summary of some of the major topics of the two thousand year span of Christian history The author provides various interpretations of causal relationships of key events along with insight regarding historical persons who significantly impacted the course of Christian history and a concise explanation of basic Christian teachings and various Christian theologies A wide scope of citations from primary sources and modern and contemporary scholars both Christian and secular provides factual informativeness and in depth insight regarding the events teachings and persons involved in the unfolding of Christian history This volume contains an extensive bibliography and clear and readily accessible reference information to the outside works that are cited **World Christian Encyclopedia** David B. Barrett, 2001 **The Judge Is the Savior** Jean Wyatt, 2015-02-16 This is a book Jean Wyatt felt compelled to write as she has for many years wrestled with questions surrounding the love and the justice of God his salvation and judgment through Jesus Christ and the effect of our response or lack of response to that salvation The Bible gives glimpses of hope that in the end God will restore all things and that finally all people will worship him If it is God's will that all should be saved is it possible to resist that will for all eternity Or dare we hope that God will continue to seek and ultimately save those who now reject his offered salvation Dare we hope that hell will be a place of restorative justice and cleansing with redemption as its aim Wyatt has come to the conclusion that we can answer Yes to both these questions The fire of God consumes evil and cleanses people Meanwhile in the here and now in which we live as disciples of Jesus Christ we are called to be witnesses to the kingdom of God and to work for his kingdom to come on earth as it is in heaven In the Anteroom of Divinity Feisal Gharib Mohamed, 2008-01-01 In the Anteroom of Divinity focuses on the persistence of Pseudo Dionysian angelology in England's early modern period Beginning with a discussion of John Colet's commentary on Dionysius' twin hierarchies Feisal G Mohamed explores the significance of the Dionysian tradition to the conformism debate of the 1590s through works by Richard Hooker and Edmund Spenser He then turns to John Donne and John Milton to shed light on their constructions of godly poetics politics and devotion and provides the most extensive study of Milton's angelology in more than fifty years With new philosophical theological and literary insights this work offers a contribution to

intellectual history and the history of religion in critical moments of the English Reformation **Books in Print** ,1994
