**Newspaper Writing in High Schools** L. N. Flint,2015-07-12 Excerpt from *Newspaper Writing in High Schools* Containing an Outline for the Use of Teachers A discussion of *Newspaper Writing* in high schools would a few years ago have had to deal at length with the reasons for such a course excuses rather than reasons they would have been called by most school men But today the place of *Newspaper Writing* in the general scheme of language instruction is coming to be recognized By no means all who were suspicious of the fad have become friendly but most of them are at least tolerant Best of all the dislike of teachers of English composition for methods that were making somewhat vociferous claims of being practical and for writing that was associated with a word having such connotations of haste and slovenliness and inaccuracy as *newspaper* has softened into something quite like interest if not approval *Newspaper Writing* is winning a place for itself That it must still work hard to achieve good standing in educational circles is not a cause for complaint Those who hold any field are quite right in asking to see the passports of newcomers About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
