

The background of the book cover is a detailed illustration of a space scene. In the upper left, a bright sun with prominent rays illuminates the scene. A satellite with a long boom and a small probe is visible in the upper center. In the lower right, a large, complex space station or orbital platform is shown, with various modules and solar panels. The overall color palette is dominated by the warm tones of the sun and the metallic grays of the spacecraft, set against the deep black of space.
