**Ngfl Easter:**

**Primary Languages: Effective Learning and Teaching** Cynthia Martin, 2008-10-16 Primary languages are to be an entitlement for all pupils in KS2 from 2010. There is therefore a need to ensure that trainee primary teachers are equipped with the required skills, knowledge and understanding to contribute to this process. This book supports specialists and also non-specialist trainees with an interest in MFL who may need to deliver languages across the curriculum, providing them with a clear understanding of the methodology and helping them to develop linguistic competence and confidence.

**Breakthrough Parenting for Children with Special Needs** Judy Winter, 2006-03-20 Breakthrough Parenting for Children with Special Needs challenges families and professionals to help children with special needs to reach their full potential by using a proven motivational how-to approach. This groundbreaking and inspiring book provides detailed information on how to let go of the perfect baby dream, face and resolve grief, avoid the no false hope syndrome, access early intervention services and avoid the use of limiting and outdated labels. Also included are specific guidelines for working with professionals, understanding the law and inclusion planning for the future, and insightful interviews with Dana Reeve of the Christopher Reeve Foundation, Tim Shriver of Special Olympics, and Diane Bubel of the Bubel Aiken Foundation. **Middle Management in the Primary School** Neville West, 1998 This second edition supports INSET courses designed to develop the essential management skills required by primary school middle managers. **Theatre of the People** Laurence Raw, 2015-10-29 Throughout World War II, audiences in the United Kingdom craved entertainment, even during the country's darkest days. During this period, actor-manager Donald Wolfit and his theatre troupe toured Great Britain and Europe, often at great risk. After the war, Wolfit broadened his tour, bringing his brand of Shakespearean theatre to North American audiences. Wolfit believed that theatre should be accessible to everyone, regardless of their socioeconomic origins. It was this quality, above all, that accounted for his huge popularity throughout the fifteen years of his operation. In *Theatre of the People*, Donald Wolfit's Shakespearean Productions 1937-1953, Laurence Raw looks at this tenacious personality whose determination to serve the nation by performing Shakespeare inspired audiences and fellow actors. Drawing on a series of hitherto unpublished materials, including letters and interviews, this part biography and part social history creates a vivid picture of what life was like for the touring actor during WWII and beyond. Recreating twelve of Wolfit's touring dates throughout Great Britain and North America, this volume also demonstrates theatre's importance as a source of mass entertainment and education, as well as a propaganda tool. Despite Wolfit's popular appeal at the time, he was doomed to remain on the periphery of the theatrical establishment. This book contends that Wolfit deserves to be recognized for his efforts in maintaining public morale during times of stress. *Theatre of the People* will appeal not only to those interested in drama but also to students and scholars of history and popular entertainment in the 1940s and 1950s. **Choice**, 2001 **Encore Tricolore Nouvelle 3 Teacher's Book** Heather Mascie-Taylor, Michael Spencer, Sylvia Honnor, 2002 This trusted and tested course retains many of
