Let My People Breathe! Unmasking the Mask Controversy With Science and Scripture Dr. Jerry Scheidbach,Sarah Green, PA-C,2023-07-10 The title Let My People Breathe is adapted from the Exodus when God sent Moses to Pharaoh with His demand Let my people go When you read this book you will understand the urgency that is reflected in the title Let My People Breathe examines science and Scripture to answer two

questions regarding mask mandates 1 Do masks work what does the science say and 2 Are mask mandates moral do they violate personal liberties what do the Scriptures say Dr Scheidbach is known among his peers and his radio podcast followers of the Brain Massage show as a fastidious researcher of high integrity In preparation for writing this book he examined 964 scientific and technical studies searching for the answer to question No 1 do masks work He discovered that while many late studies purport to support public masking to control the spread not one provides scientific proof that surgical or cloth masks offer adequate protection against infection by something so small as a virus Furthermore he discovered our natural filtration provides far superior protection than the masks recommended by CDC WHO and Fauci And disturbingly he discovered masks can interfere with natural filtration and actually facilitate infection He documents his research thoroughly in his book and provides his readers access to every article he examined along with his extensive research notes over 800 pages in separate downloadable files Free to all who purchase Let My People Breathe On the second question what does the Bible say about mask mandates Dr Scheidbach brings to his readers over 50 years of extensive biblical studies including formal training culminating in an earned Doctorate in Theological Studies graduating summa cum laude He addresses questions about a Christian s responsibility to obey governments with biblical integrity and refreshing candor He shows what the Bible actually says about the purpose and limits of government His explanation of Romans 13 is worth the price of this book In this section of Let My People Breathe Dr Scheidbach reveals that the mask mandate issue has far reaching political and spiritual implications Let My People Breathe could be one of the most important books you read this year **Proceedings** ,2003
