Human Performance Optimization Michael D. Matthews, David M. Schnyer, 2019 Human Performance Optimization The Science and Ethics of Enhancing Human Capabilities explores current and emerging strategies for enhancing individual and team performance especially in high stakes stressful settings such as the military law enforcement firefighting or competitive corporate settings Taking a cognitive neuroscience perspective scientifically grounded approaches to optimizing human performance are explored in depth **Longevity, Regeneration, and Optimal Health** William C. Bushnell, Erin L. Olivio, Neil D. Theise, 2009-09-21 A revolution is occurring in the Western science of longevity regeneration and health that is elucidating the potential for extended human lifespan in an optimal state of health This investigation is being conducted on the molecular cellular physiological and psychological levels Rigorous integrative medicine research can only be adequately developed if collaboration between scientists and practitioners from both fields is involved This volume brings together researchers and scholars from both the Indo Tibetan traditions and the international scientific community to open a dialogue about the potential to build a program of collaborative research to study the impact of Indo Tibetan practices on longevity

and health Indo Tibetan Buddhism claims that its core of meditative yogic and related practices can potentially produce dramatic enhancements of physiological and psychological functioning and a substantial body of Western scientific evidence is supportive of these claims The evidence includes direct and indirect clinical medicine and data from basic science research in physiology neurobiology and medicine The reports in this volume establish a basis for a program of research that will advance our current understanding of longevity and health NOTE Annals volumes are available for sale as individual books or as a journal For information on institutional journal subscriptions please visit www.blackwellpublishing.com/nyas ACADEMY MEMBERS Please contact the New York Academy of Sciences directly to place your order www.nyas.org Members of the New York Academy of Science receive full text access to the Annals online and discounts on print volumes Please visit www.nyas.org/membership/main.asp for more information about becoming a member

The Work-Life Balance Myth: Rethinking Your Optimal Balance for Success David J. McNeff, 2021-02-23 An empowering guide that will show you how to shed the myth of the work life balance by merging the seven key components that make up your life to attain harmony and whole life success All of us have Seven Slices in our lives our Family Slice our Professional Slice our Personal Slice our Physical Slice our Intellectual Slice our Emotional Slice and our Spiritual Slice These all need to be served in some fashion and in serving them they in turn serve us This relatively simple but profoundly critical concept is at the heart of the method executive coach David McNeff has used to transform the lives and careers of his clients It begins with two important facts 1 stress happens you can't avoid it and 2 your existence is composed of far more than work and life Too often we divide our lives into those two general categories but we're all a lot more complex and our lives are richer than that By being clear and mindful of all aspects of your life the Seven Slices you'll be more likely to find inner harmony when stress impacts one of them In *The Work Life Balance Myth* McNeff takes you on a deep dive into each of the Seven Slices explaining the components of each Slice

signs that you may not be attending to each Slice in a healthy way and hands on methods for accessing an underserved Slice
The Work Life Balance Myth won't make your life perfect no one can do that and you shouldn't trust anyone who makes that
promise What this book will do is provide you with proven new ways of framing your life seeing stress for what it is and vastly
improving your ability to navigate the emotional challenges that will inevitably arise in a way that serves your Seven Slices
