Bowmaker, 2006-01-01 Economics Uncut A Complete Guide to Life Death and Misadventure edited by Simon Bowmaker contains several delightful chapters on topics central to economics and the family. Darius Conger Economics and the American Family A Review of Recent Literature Choice This volume collects a wide array of economic explanations of social issues that are often thought to be beyond the realm of economic explanation. This work will be valuable reading for general readers and undergraduate students. Graduate students in social sciences other than economics will find accessible economic explanations of many issues in their fields. Highly recommended R B Emmett Choice Expertly compiled and deftly edited by Simon W Bowmaker Economics Uncut A Complete Guide to Life Death and Misadventure features informed and informative essays and seminal articles by eighteen accomplished economists on a variety of economic issues. Steven Levitt University of Chicago and author of *Freakonomics* In this insightful and entertaining book Simon Bowmaker introduces readers to the fascinating side of modern economics that applies economic analysis to a wide range of social issues from illegal drugs to religion and everything in between. In this form economics is anything but the dismal science. This is a fun and enlightening book that shows readers what many economists often forget that economics is a powerful tool for understanding the world around them.
