**National Geographic Learning Reader: Gender Roles: A Cross-Cultural Perspective** National Geographic Learning, 2012-04-09 GENDER ROLES A CROSS CULTURAL PERSPECTIVE is part of a ground breaking new series the National Geographic Learning Reader Series This series brings learning to life by featuring compelling images media and text from National Geographic Through this engaging content students develop a clearer understanding of the world around them Published in a variety of subject areas the National Geographic Learning Reader Series connects key topics to authentic examples and can be used in conjunction with most standard texts or online materials available for your courses Access to a media enhanced eBook is included with each reader The eleven articles in this single themed reader present a wide range of global perspectives on the issue of gender exploring social and cultural influences on male and female roles and behavior and how sometimes those traditional influences can be overturned Accompanying each article is a summary headnote a bulleted list of points to think about when reading the article and a set each of discussion questions writing activities and collaborative activities that will help students explore in more depth the important gender issues that this reader addresses Important Notice Media content referenced within the product description or the product text may not be available in the ebook version Caring Hearts and Critical Minds Steven Wolk, 2013 Wolk demonstrates how to integrate inquiry learning exciting and contemporary literature and teaching for social responsibility across the curriculum He takes teachers step by step through the process of designing an inquiry based literature unit and then provides five full units used in real middle grade classrooms Featuring a remarkable range of recommended resources and hundreds of novels from across the literary genres Caring Hearts Critical Minds gives teachers a blueprint for creating dynamic units with rigorous lessons about topics kids care about from media and the environment to personal happiness and global poverty Wolk shows teachers how to find stimulating real world complex texts called for in the Common Core State Standards and integrate them into literature units Publisher s website **Reading America** Matthew Guillen, 2007 Is there a unique visual infrastructure that keeps and defines a culture Professor Guillen discusses a culture built entirely on the visual modality and most significantly on that province of the visual we negotiate through the written word Although this work analyzes features critical to the American legal tradition from its origins in Anglo Saxon jurisprudence to recent Supreme Court decisions substantially exploring Judge Scalia s originalist movement and Posner s law and economics theories the presiding agency remains the power of the written language to provide scaffolding to American culture Writing it is argued contours our worldview our laws morality science social problems and affects film media broadcasting comics and literary criticism The effects of our national formation and the literature that sprung up to discuss the new nation and define its people have

directly led to the evolution of our idiosyncratic legal and philosophical perspectives The title of this work purposely carries a double meaning since it proposes to deal with a reading of American culture through its legal and cultural legacy as well as concluding with questions revolving around a well informed American readership essential for the preservation of the culture as well as the continued existence of a national collective conscience Gender on Ice Lisa Bloom,1993 In this book Bloom takes what might seem a very localized subject and shows how it opens up to all the central questions today in cultural studies around gender nationhood the politics of imperialism race male homosocial behavior and the sociality of science Gender on Ice has an eloquence and elegance that positively refreshing and the prose is stylish engaging and direct Dana Polan University of Pittsburgh *Education for people and the planet: Creating sustainable futures for all*
