*Proceedings of the 8th International Conference on Economic Management and Green Development* Xiaolong Li, Chunhui Yuan, Lukáš Vartiak, 2025-04-03 This book covers a diverse range of topics situated at the intersecting fields of economic management, public administration and green development. Economics has always been a heated research topic and green development is rising and integrating with various fields for interdisciplinary studies. Initiated in 2017, the International Conference on Economic Management and Green Development (ICEMGD) is an annual conference aiming at bringing together researchers from the fields of economics, business management, public administration and green development for the sharing of research methods and theoretical breakthroughs. The 8th ICEMDG was held on September 26, 2024. It cooperates with Comenius University in Bratislava, University of Murcia, Edinburgh Napier University, Beijing Union University, and China Agricultural University to hold workshops worldwide. The proceedings consist of papers accepted by ICEMDG 2024, which are carefully selected and reviewed by professional reviewers from corresponding research fields and the editing committee of the conference. ICEMDG is working to provide a platform for international participants from fields like macro and microeconomics, international economics, finance, agricultural economics, health economics, business management, and marketing strategies, regional development studies, social governance, and sustainable development. This proceedings book, together with the conference, looks forward to sparking inspiration and promoting collaborations. This book is of interest to researchers, academics, professionals, and policy makers in the field of economic management, public administration, and development studies.
