Topics include the quality of teaching, dorms and dining hall fare, campus politics, left or right and conservative or liberal, whether the student body is diverse or homogeneous, tolerant or intolerant of race, class, relations and of gay students and high or low in its use of beer, liquor and marijuana. In fact this book has caused schools across the country to change their food, campuses and drinking policies. Also included is information concerning admission and financial aid policies, student body demographics, average recentered SAT scores and What's Hot, What's Not as well as the Counselor O-Matic, an easy to use if highly unscientific guide to your chances of getting into each of the top 310 colleges by calculating your desirability.
