## **Microfinance In Developing Countries Issues Policies And Performance Evaluation:**

Microfinance in Developing Countries J. Gueye, R. Manos, J. Yaron, 2013-01-17 Microfinance in developing countries is a collection of studies by leading researchers in the field of microfinance. It discusses key issues that the rapidly growing microfinance industry currently faces and offers interesting views and analysis of topical matters concerning the microfinance realm

**Transforming Economies Through Microfinance in Developing Nations** Alhassan, Yahaya, Nwagbara, Uzoechi, 2023-01-20 Following the positive impact of microfinance on poverty reduction, women empowerment, and microenterprise development in some countries in Asia and Africa, a huge amount of time has been devoted by researchers to understanding how this concept can be used as a catalyst for transforming and sustaining the economies of developing and emerging countries. Though there are a few books on the role of microfinance in reducing poverty in developing countries across the world, there is no specific book that explores the role of microfinance in transforming and sustaining economies of developing and emerging countries. **Transforming Economies Through Microfinance in Developing Nations** seeks to explore how the provision of microfinance to individuals and groups can contribute to the economic transformation and sustainability of the economies of developing and emerging countries. Covering key topics such as climate change entrepreneurship and rural development, this reference work is ideal for government officials, entrepreneurs, policymakers, researchers, academicians, practitioners, scholars, instructors, and students.

**Microfinance and Sustainable Development in Africa** Alhassan, Yahaya, Nwagbara, Uzoechi, 2021-12-10 The use of microfinance for poverty reduction and economic development in the developing world is growing. However, this concept needs to be expanded to ensure its successful application for achieving longer term economic growth and sustainability in developing countries, particularly in parts of the world such as Africa. As such, further research into the relationship between microfinance and sustainable development in developing regions is required to fully understand the opportunities for effective use of microfinance for poverty reduction and economic development. **Microfinance and Sustainable Development in Africa** examines the complex relationship between receipt of microfinance, poverty reduction, economic growth, and microbusiness development, focusing on the provision of small credit facilities as a driver of sustainable development in Africa. Its coverage of topics such as microbusiness, social finance, and sustainable development make this book an ideal reference source for academicians, researchers, government officials, policymakers, organizations, managers, instructors, and students.

**Research Anthology on Microfinance Services and Roles in Social Progress** Management Association, Information Resources, 2022-09-23 Microfinance has emerged as a growing field as more businesses discover the benefits and opportunities it provides. To ensure that microfinance is utilized appropriately, further study on the best practices and difficulties is required. The **Research Anthology on Microfinance Services and Roles in Social Progress** considers the ways in which microfinance can be utilized to achieve social progress as well as the challenges and opportunities of this area.

Covering key topics such as income small businesses entrepreneurship and credit this major reference work is ideal for industry professionals government officials computer scientists entrepreneurs business owners managers policymakers researchers scholars practitioners instructors and students [Beyond Banks](#) Christiaan van Bochove,Juliette Levy,2025-05-06 Scholars of credit markets have long focused on banks but pre modern as well as modern economies often relied on non bank credit This edited volume brings together international examples from across history that highlight how guilds innkeepers moneylenders notaries networks of family members and friends and religious institutions among others mobilized credit before and even along banks The volume operationalizes a common terminology and set of questions to allow for comparisons between the wide range of bank and non bank credit arrangements across the globe and across time It will be of interest to financial and economic historians economists and many other scholars in the humanities and social sciences **Promoting Microfinance** R. Manos,J. Gueyie,J. Yaron,2015-12-04 Promoting Microfinance brings together essays and empirical work by leading researchers and practitioners in the field of microfinance It covers key issues currently facing the microfinance industry and provides an overview of the microfinance industry in selected countries regions pointing to the direction in which it is heading [Microfinance](#) Bernd Balkenhol,2018-05-03 As microfinance is increasingly being absorbed into broader debates on financial inclusion and sustainable development there is a growing number of professionals operating in international relations and development who are often confronted with sweeping statements about the alleged benefits and risks of microfinance This book provides a concise introduction to microfinance the key issues debates research agenda and public policy relevance Illustrated by real life examples the book s sections also highlight key publications and data sources and identify gaps for future research The book will be an invaluable resource both for development economists and for scholars in neighbouring disciplines who need to get up to speed quickly on the current debates and research in microfinance **Journal of Economic Literature** ,2014 [Entrepreneurial Rise in the Middle East and North Africa](#) Stavros Sindakis,Sakshi Aggarwal,2022-03-02 Entrepreneurial Rise in the Middle East and North Africa The Influence of Quadruple Helix on Technological Innovation explores the relationships and inter dependencies between innovation political regimes and economic and social development throughout the Middle East and North Africa region **Microfinance in Northeast Thailand** Brett E.
