**Past Tense Verbs:** As the events in a recount have already happened, the past tense form of verbs is widely used.

**What:** The writer indicates here what the events of the recount relate to.

**When:** As part of the orientation in the introductory paragraph, the writer indicates when the events of the recount happened.

## ANNOTATED RECOUNT STUDY

### My Worst Movie Experience Ever

My family and I had been waiting for months to see the Star Battles prequel. I remember how excited we were as we headed off to the movie one summer evening last year. I clutched our tickets tightly in my sweaty hands as if all our lives depended on them.

Like everyone else, we queued outside, patiently waiting for the doors to open at 8pm. Eight o'clock came and went. 8:30 came and went too. The crowd grew restless, and arguments started to break out in line. Luckily, the doors opened at 8:45pm, so we narrowly avoided a riot.

Finally, we piled through the doors into the lobby. Inside, we grabbed some stale popcorn and overpriced soda. We were very disappointed at the inflated prices, but at least we were finally going to see the movie we had waited all summer for. Or so we thought. We arrived at our seats only to see a family already eat in them. You cannot imagine our disappointment!

We called for the manager. She explained that they regularly over-sold seats as sometimes people did not show. I couldn't believe what I was hearing. "Airlines do it all the time," she explained. "You're welcome to come back tomorrow night and try again," the manager continued.

Needless to say, we did not go back the next night or the night after that. In fact, we made a decision never to go back to the theatre again. Now, we stream movies online. It's much cheaper, and the popcorn's never stale either.

**Personal Detail:** The writer adds details from their personal life; this helps breathe life and colour into the writing.

**Sensory Detail:** Descriptions that appeal to the senses are used to recreate the scene in the reader's mind. Students should focus not only on sights and sounds but the other senses of smell, touch, and taste in their writing too.

**Body Paragraphs:** This and the next two paragraphs relate the main events of the recount in chronological order.

**Body Paragraphs:** This and the next two paragraphs relate the main events of the recount in chronological order.

**Conclusion:** Here, the writer uses the conclusion to reflect on what they have learned from the overall experience.
