

# Select Question from Nebosh Paper

## Task 1: Justifying health and safety improvements

- 1 What financial arguments could you use to justify your proposed recommendations to segregate FLT's and the workers? (10)

*Note: You should support your answer, where applicable, using relevant information from the scenario.*

## Task 2: Checking management system effectiveness

- 2 You email a report to the overall Store and Warehouse Manager, in a further attempt to convince them that safety needs improving. The report contains unsafe behaviour that you have observed, unsafe behaviour associated with historic incidents and unsafe behaviour relayed to you from other workers. Also, the report contains voluntary feedback on safety given to you by workers and managers.

Based on the scenario only

- (a) what unsafe behaviour would be included in the report? (6)  
(b) what voluntary feedback would be included in the report? (4)

## Task 3: Managing contractors

- 3 Site management have accepted your proposed health and safety improvement solution to segregate FLT's and the workers. They have made the budget available. The organisation intends to use external contractors for the work.

When selecting the external contractors, what would you consider when assessing their competence? (10)

## Task 4: Working within a health and safety management system

- 4 To satisfy the expectations of the Inspector, you have developed a formal safety management system in line with ISO 45001.

Based on the scenario only, what are the likely benefits to the organisation of having this formal safety management system? (10)

## Task 5: Influencing health and safety culture

- 5 To improve performance in the organisation, you know that you need to positively influence health and safety culture. You feel the culture at the warehouse is currently negative.

**Introduction to Health and Safety at Work ,**     Introduction to Health and Safety at Work Phil Hughes, Ed

Ferrett, 2009 Introduction to Health and Safety at Work has been developed for the NEBOSH National General Certificate in Occupational Safety and Health. Each element of the syllabus has a dedicated chapter and both taught units are covered in this book. A chapter on international aspects also makes this book suitable for the NEBOSH International General Certificate in Occupational Safety and Health. Previous editions of this book have been used for other NVQ level 3 and 4 courses in health and safety. Full colour pages and hundreds of illustrations bring health and safety to life. To make studying easier, each chapter starts with learning outcome summaries and ends with questions taken from recent NEBOSH examinations. Specimen answers and a study skills chapter aid exam preparation. As an introduction to all areas of occupational safety and health, the book acts as a practical reference for managers and directors with health and safety responsibilities and safety representatives. It covers the essential elements of health and safety management, the legal framework, risk assessment and control standards, and includes handy forms and checklists. New in this edition: Updated throughout in line with changes in the regulations. Learning outcomes now included at the beginning of each chapter. Companion website with downloadable health and safety forms. Endorsed by NEBOSH. Student friendly presentation in full colour, packed with illustrations and photographs. Revision questions and sample answers taken from recent NEBOSH examinations to test your knowledge. Includes a summary of the main legal requirements ideal for both students and managers.
