**Open Heart, Open Mind** Clara Hughes, 2017-01-03 The long awaited memoir by Canada's most celebrated Olympian and advocate for mental health From one of Canada's most decorated Olympians comes a raw but life affirming story of one woman's struggle with depression In 2006 when Clara Hughes stepped onto the Olympic podium in Torino Italy she became the first and only athlete ever to win multiple medals in both Summer and Winter Games Four years later she was proud to carry the Canadian flag at the head of the Canadian team as they participated in the opening ceremony of the Vancouver Olympic Winter Games But there's another story behind her celebrated career as an athlete behind her signature billboard smile While most professional athletes devote their entire lives to training Clara spent her teenage years using drugs and drinking to escape the stifling home life her alcoholic father had created in Elmwood Winnipeg She was headed nowhere fast when at sixteen she watched transfixed in her living room as gold medal speed skater Ga tan Boucher effortlessly raced in the 1988 Calgary Olympics Dreaming of one day competing

herself Clara channeled her anger frustration and raw ambition into the endurance sports of speed skating and cycling By 2010 she had become a six time Olympic medalist But after more than a decade in the gruelling world of professional sports that stripped away her confidence and bruised her body Clara began to realize that her physical extremes her emotional setbacks and her partying habits were masking a severe depression After winning bronze in the last speed skating race of her career she decided to retire from that sport determined to repair herself She has emerged as one of our most committed humanitarians advocating for a variety of social causes both in Canada and around the world In 2010 she became national spokesperson for Bell Canada s Let s Talk campaign in support of mental health awareness using her Olympic standing to share the positive message of the power of forgiveness Told with honesty and passion Open Heart Open Mind is Clara s personal journey through physical and mental pain to a life where love and understanding can thrive This revelatory and inspiring story will touch the hearts of all Canadians

*The Power Of God's Love* Theresa Simpson,2023-02-09

The power of God s love is God s agape love for you It is a Greco Christian term referring to love the highest form of love charity and the love of God for man and man for God This love embraces a universal unconditional love that transcends and persists regardless of circumstances It goes beyond just the emotions to the extent of seeking the best for others The power of God s love wants to quiet the internal conflict that roars loudly in your spirit The power of God s love wants to whisper away the voices in your head that says You re not enough You re not smart enough You won t amount to anything You re never going to be anybody You are too fat You are too skinny You re not pretty enough You re ugly You just don t fit in Who do you think you are The power of God s love wants to heal the little child in you who yearns to be heard The power of God s love wants and can quiet the voices that still speak loudly in your head of those that cause you harm shame guilt doubt rejection abandonment fear and pain The power of God s love wants to give you strength when you feel you have none confidence when you feel unsure The power of God s love wants to dry away the overdue tears the tears within to bring you out of stuck places if you just be still get quiet and trust and believe
