**Pure Heart** Shellie R. Warren,2010-09-01 Our culture has twisted and perverted God s most intimate gift sex and sexuality And men are not the only ones who struggle with sexual sin In this frank and disarming book Shellie Warren helps female readers understand and embrace the true purpose and role of sex in their lives Whether single or married women must cope with issues surrounding body image lust adultery sexual addiction porn and more This honest treatment of a hush hush issue will free women to experience forgiveness and renewal Includes a foreword and afterward from XXXchurch founder Craig Gross    *Sex Addiction* Barry Reay,Nina Attwood,Claire Gooder,2015-08-06 The concept of sex addiction took hold in the 1980s as a product of cultural anxiety Yet despite being essentially mythical sex addiction has to be taken seriously as a phenomenon Its success as a purported malady lay with its medicalization both as a self help movement in terms of self diagnosis and as a rapidly growing industry of therapists treating the new disease The media played a role in its history first with TV the tabloids and the case histories of claimed celebrity victims all helping to popularize the concept and then with the impact of the Internet This book is a critical history of an archetypically modern sexual syndrome Reay Attwood and Gooder argue that this strange history of social opportunism diagnostic amorphism therapeutic self interest and popular cultural endorsement is marked by an essential social conservatism sex addiction has become a convenient term to describe disapproved sex It is a label without explanatory force This book will be essential reading for those interested in sexuality studies contemporary history psychology psychiatry sociology media studies and studies of the Internet It will also be of interest to doctors and therapists currently working in this and related fields
