

The PADI Open Water Instructor Course places a strong focus on your ability to teach. During the exam, you will give restricted and open-water instructional presentations. These are not just about demonstrating skills; they're about how you teach them.

To prepare:

- Use the PADI lesson guides to plan your presentations.
- Follow the structure: introduction, value of the skill, where it fits in the course, how it's done, common problems, and how to fix them.
- Practice explaining skills clearly and concisely.
- Focus on positive reinforcement and student-centered learning.

Role-playing with other IDC candidates or instructors is a great way to boost confidence and receive feedback.
