## **Opening Minds Using Language To Change Lives:**

*Opening Minds* Peter H. Johnston, 2012 Sometimes a single word changes everything In his groundbreaking book *Choice Words* Peter Johnston demonstrated how the things teachers say and don t say have surprising consequences for the literate lives of students Now in *Opening Minds Using Language to Change Lives* Peter shows how the words teachers choose affect the worlds students inhabit in the classroom and ultimately their futures He explains how to engage children with more productive talk and to create classrooms that support not only students intellectual development but their development as human beings Grounded in research *Opening Minds Using Language to Change Lives* shows how words can shape students learning their sense of self and their social emotional and moral development Make no mistake words have the power to open minds or close them

**Choice Words** Peter Johnston, 2024-06-27 In the years since *Choice Words How Our Language Affects Children s Learning* was first published and quickly became a beloved bestseller countless educators and their students have been impacted by this short but powerful book Throughout it author Peter Johnston provides examples of seemingly ordinary words phrases and uses of language that are pivotal in the orchestration of the classroom Grounded in a balance of research and classroom practice *Choice Words* demonstrates how and what we say and don t say have surprising consequences for what children learn and for who they become as literate people Now in this second edition Peter Johnston returns to the central message of the book that teachers language is their most powerful tool for impacting children s learning and creating classroom community With updates throughout the chapters to both the research and classroom examples and new chapters on social emotional learning and mindsets this book has much to offer to both those familiar with *Choice Words* and those who will read it for the first time This book will be enlightening for any teacher who wishes to be more conscious of the many ways their language helps children acquire literacy skills and view the world their peers and themselves in new ways
