*Operating in the Fulfillment of Divine Purpose* Mark E. Crutcher, 2011-08-01 You were born to live a life of destiny and purpose not just born to live Do you know why you exist Why you are here on this planet called earth Have you ever stopped to wonder what God was up to when He fashioned you Because God made you with a specific design He had a purpose in giving you life and the unique thoughts actions and gifting that make you you God created you with a destiny in mind something that no other human being can fulfill except you but the choice is up to you to seek out that divine destiny your true purpose for living *Operating in the Fulfillment of Divine Purpose* guides readers through the process of discovering their purpose in life making sure not one more day is wasted in unfulfilled living [Fulfillment of Prophecy](#) Gary Gallant, 2023-08-30 Many believers neglect to study the Old Testament because they find it confusing or because they assume that it is less important to the Christian faith than the New Testament We cannot understand Jesus or His gospel without a proper grounding in the Old Testament Scriptures Thus we need to read and study the whole counsel of God Let us not neglect the study of either testament Unique among all books ever written the Bible accurately foretells specific events in detail many years sometimes centuries before they occur Approximately 2 500 prophecies appear in the pages of the Bible about 2 000 of which already have been fulfilled to the letter no errors The remaining 500 or so reach into the future and may be seen unfolding as days go by Since the probability of any one of these prophecies having been fulfilled by chance averages less than one in ten figured very conservatively and since the prophecies are for the most part independent of one another the odds for all these prophecies having been fulfilled by chance without error is less than one in 102000 that is 1 with 2 000 zeros written after it God is not the only one however who uses forecasts of future events to get people s attention Satan does too Through clairvoyants such as Jeanne Dixon and Edgar Cayce mediums spiritists and others come remarkable predictions though rarely with more than about 60 percent accuracy never with total accuracy Messages from Satan furthermore fail to match the details of Bible prophecies nor do they include a call to repentance The acid test for identifying a prophet of God is recorded by Moses in Deuteronomy 18 21 22 According to this Bible passage and others God s prophets as distinct from Satan s spokesmen are 100 percent accurate in their predictions There is no room for error The New Testament indicates that what happened at the cross and on it was what the prophets had predicted would happen long before Details of Jesus life and death were written in divine prophecy hundreds of years before He was born in Bethlehem Throughout the Gospels this amazing truth is emphasized As Jesus and His apostles left the upper room for the Garden of Gethsemane He said to them You will all fall away because it is written I will strike down the shepherd and the sheep shall be scattered Mark 14 27 After Judas betrayal Jesus rebuked Peter for drawing his sword and cutting off the ear of Malchus and said to him Put your sword back into its place How then will the Scriptures be fulfilled which say that it must happen this way Matthew 26 52 54 On the cross Jesus waited until He saw that all things had already been accomplished before He uttered

His only physical request I am thirsty John 19 28 Later the spear was thrust into Jesus side and blood and water came out We read For these things came to pass to fulfill the Scripture Not a bone of Him shall be broken And again another Scripture says They shall look on Him whom they pierced John 19 36 37 The angel who was at the tomb on the morning of the resurrection said Remember how He spoke to you while He was still in Galilee saying that the Son of Man must be delivered into the hands of sinful men and be crucified and the third day rises again Luke 24 6 7 When Jesus met with the apostles and disciples Sunday evening the same day He arose from the dead He said to them These are My words which I spoke to you while I was still with you that all things which are written about Me in the Law of Moses and the Prophets and the Psalms must be fulfilled Thus it is written that the Christ would suffer and rise again from the dead the third day and that repentance for forgiveness of sins would be proclaimed in His name to all the nations beginning from Jerusalem Luke 24 44 47 In Jesus affirmation to those Sunday night witnesses He referred to all three divisions of the Hebrew Old Testament the Law of Moses the Prophets and the Psalms as He described the prophecies that had been fulfilled in Him It has been said that if one reads any part of the Bible and does not see Jesus in it he should go back and reread it for he has missed something very important In Peter s first gospel sermon on the Day of Pentecost he declared that Jesus had been delivered into the hands of godless men to be put to death by the predetermined plan and foreknowledge of God Acts 2 23 In his second sermon in Acts Peter covered in one sweeping sentence the prophecies of the whole Old Testament saying that Jesus sufferings on the cross fulfilled all that had been prophesied But the things which God announced beforehand by the mouth of all the prophets that His Christ would suffer He has thus fulfilled Acts 3 18 *An American Commentary on the New Testament* Alvah

Michael Zbaraschuk,2015-06-29 The doctrine of providence is one that has fallen into theological oblivion in recent years How can the words God and history still be said in the same sentence This book surveys important contemporary attempts to talk about God and history examines why they haven t been successful and offers a contemporary doctrine of providence that is historically realistic adequate to religious experience and grounded in the Christian tradition The author draws on the philosophical orientation of Alfred North Whitehead and brings it into conversation with liberation and ecological theologies **The Reconciling Wisdom of God** Adam J. Johnson,2016-08-17 In

The Reconciling Wisdom of God Reframing the Doctrine of the Atonement Adam Johnson already a leading scholar of the atonement considers God's redemptive work in Christ through the atonement as an act of God's infinite wisdom In making this crucial turn Johnson is able to speak to proponents of the various atonement theories and move the discussion forward in a new direction grounded in the truth of God's infinite wisdom Genuinely reframing the debate around the atonement The Reconciling Wisdom of God is a must read for students of the atonement **Prophecy Fulfilled** Gary Gallant,2023-09-03

This book is a daily devotional of the prophecies from the Old Testament fulfilled throughout history The foretelling from these prophets is historically accurate Most are fulfilled by Jesus Christ alone Jesus talks about fulfilling the Law and the prophets In the Sermon on the Mount Jesus said that He had not come to abolish the Law or the prophets but to fulfill them Matthew 5:17 Scripture tells of prophets their warnings and their prophecies Some spoke of good things to come while others described desperate times The fact that Jesus fulfilled the Law the Prophets and the Writings reminds us that the Word of God is true steadfast and eternal God is active in every moment Prophets foretold the birth of Jesus and how He would face trials disappointment the unbelief of the people torture and death on the cross Scripture tells how Jesus would rise on the third day and ascend into Heaven to sit at the right hand of His Father Through each word spoken and each action Jesus showed what would happen Jesus knew that the plan of His Father was the best By reading and studying the Word of God we learn that everything Jesus said would happen is true Although not all prophecies have been fulfilled yet Christians know that the day is coming when Jesus will return **The Incorporation of the Triune God in Himself and with His Believers** Kerry S. Robichaux,2023-07-04

Incorporation refers to the joint concept of the mutual indwelling of the Father the Son and the Spirit and Their mutual working together as one These two concepts are not new in Christian thought but they are overlooked by many Christian teachers and writers today and consequently by many Christians in general The effect of this omission is that many common believers if not their teachers fall easily into the mistaken view that the three of the Divine Trinity exist separably act separably and therefore are separably three Gods even though most know better than to say so This book is at one level a reaction to that mistaken view because the writers of the New Testament were very far from it in their concept and utterance But at stake is not just the Trinity as the capital teaching of the Christian faith if that were not enough to be concerned about The essence of true Christian experience is also greatly affected by our understanding of how the Triune God is in Himself and how He acts in Himself for according to the New Testament the essence of the believers life and living is the extension of the Triune God's mutual indwelling and mutual working together as one within them Thus at another level this book is a reaction to a merely moral and ethical view of the Christian life because again the writers of the New Testament present the Christian life more profoundly as the believers incorporation of the Triune God who lives and operates within them The content of this book is a careful consideration of the incorporation of the Triune God in Himself and with His believers as evidenced textually in the New Testament particularly the Gospel of John
