Want to save money while shopping? Of course you do. Why? Because nobody likes to find their wallet or purse flat out empty from all the joy or necessity of shopping, nor suffer the consequence of endlessly swiping the PLASTIC to the max on whatever they can get their hands on, then waiting for the wrath of the credit card bill to drop on their doorstep only to regret with buyer's remorse and now swimming in debt and hanging at the mercy of creditors. Finding bargains and deals may seem obvious: head to Google and click Search or go through the stack of mails and newspapers hoping to grab some coupons, but there is far more to the process than people realize.
