Native Americans Opposing Viewpoints:

Native Americans William Dudley,1998 Fulfills some or all of the national high school curriculum standards for American history and English **Native American Treatment and Resistance** Philip Wolny,2017-12-15 The romantic myth of America s frontier that many people encounter in the media is only part of the story of the nation s expansion in the nineteenth century This book illustrates the push by European settlers and the federal government ever westward and its effects on indigenous peoples Through primary source historical images and the tragic narrative of broken treaties relocations and armed conflict it brings the inspiring resistance and fight for self determination of Native Americans into the hands of your readers It also contextualizes these struggles with modern ones including the American Indian Movement and ongoing tribal anti pipeline protests **The Literary and Legal Genealogy of Native American Dispossession** George Pappas,2017-07-14 The Literary and Legal Genealogy of Native American Dispossession offers a unique interpretation of how literary and public discourses influenced three U S Supreme Court Rulings written by Chief Justice John Marshall with respect to Native Americans These cases Johnson v M Intosh 1823 Cherokee Nation v Georgia 1831 and Worcester v Georgia 1832 collectively known as the Marshall Trilogy have formed the legal basis for the dispossession of indigenous populations throughout the Commonwealth The Trilogy cases are usually approached as pure legal judgments This book maintains however that it was the literary and public discourses from the early sixteenth through to the early nineteenth centuries that established a discursive tradition which in part transformed the American Indians from owners to mere occupants of their land Exploring the literary genesis of Marshall s judgments George Pappas draws on the work of Michel Foucault Edward Said and Homi Bhabha to analyse how these formative U S Supreme Court rulings blurred the distinction between literature and law **Racism in America--opposing Viewpoints** ,1991 Presents opposing viewpoints on racism in America and how serious this problem is **Research in Education** ,1971 **Indian Resilience and Rebuilding** Donald L. Fixico,2013-10-10 Indian Resilience and Rebuilding provides an Indigenous view of the last one hundred years of Native history and guides readers through a century of achievements It examines the progress that Indians have accomplished in rebuilding their nations in the 20th century revealing how Native communities adapted to the cultural and economic pressures in modern America Donald Fixico examines issues like land allotment the Indian New Deal termination and relocation Red Power and self determination casino gaming and repatriation He applies ethnohistorical analysis and political economic theory to provide a multi layered approach that ultimately shows how Native people reinvented themselves in order to rebuild their nations Fixico identifies the tools to this empowerment such as education navigation within cultural systems modern Indian leadership and indigenized political economy He explains how these tools helped Indian communities to rebuild their nations Fixico constructs an Indigenous paradigm of Native ethos and reality that drives Indian modern political economies heading into the twenty first century This illuminating and comprehensive analysis of Native nation s resilience in

the twentieth century demonstrates how Native Americans reinvented themselves rebuilt their nations and ultimately became major forces in the United States Indian Resilience and Rebuilding redefines how modern American history can and should be told
