

# Opening Prayer

God of grace,

We open our hearts, minds  
and souls to worship to you.

Thank you that today we dwell in your kingdom  
and live in your presence.

Thank you that as we gather together  
we join with all Christians across the world  
to glorify your holy name.

Come be with us, inspire us and lead us in our time together.  
We ask all this in the beautiful name of Jesus. Amen.

Middle Ages effectively relegated nuns to complete dependency on the sacramental ministrations of priests. Buggyis shows that in fact these women continued to exercise primary control over their spiritual care. Essential to this argument is the discovery that the production of the liturgical books used in these communities was carried out by female scribes, copyists, correctors and creators of texts, attesting to the agency and creativity that nuns exercised in the care they extended to themselves and those who sought their hospitality, counsel, instruction, healing, forgiveness and intercession.
