Roadshows often epic in subject matter played selected usually only one theaters in major urban centers until demand decreased. De rigueur by the 1960s were musical overtures, intermissions, entre acte and exit music and souvenir programs for sale in the lobby. Throughout the text are recollections by people who attended roadshows including actor John Kerr and actresses Barbara Eden and Ingrid Pitt. The focus is on roadshows released in the United States but an appendix identifies international roadshows and films forecast but not released as roadshows. **On: 100 Most Popular 2010s Adventure Films** Wikipedia contributors, Focus On: 100 Most Popular Nonlinear Narrative Films Wikipedia contributors, In Theaters Everywhere Brian Hannan, 2019-01-09 Conflicts among Hollywood studios and exhibitors have been going on for years. At their heart are questions about how films should be released where, when and at what speed. Both sides of this disagreement are losers with exhibitors using the law via various Consent Decrees and studios retaliating by tightly controlling output. In the Silent Era movies were not released nearly as widely as they are now. This book tells the story of how the few became the many. It explores the contraction of the release cycle, the maximization of the marketing dollar and the democratization of consumer access. It also offers a comprehensive list of wide releases and rebuts much of what previous scholars have found.

The Film Weekly, 1962 Joe Leblang's Cut-rate Ticket Empire and the Broadway Theatre, 1894-1931 Jerry D. Eisenhour, 2003 This is a study of a ticket agent, his business methods and his contributions to the Broadway theatre. It contains elements of biography, economic history of the American stage and insights into the relationship between Broadway producers and the people who sold the tickets to their attractions. The book recounts a number of then famous battles between powerful producers and the ticket agencies. It sets the scene for readers not familiar with the period by giving ample background and then traces the growth and development of Joe Leblang's agency. This agency exerted so potent a force on the Broadway theatre that the period would not have been the same had his agency not existed.
