had sent in an application to ABC's *The Bachelor* on her behalf she wasn't upset but she was hesitant. As a divorced single mom on a long dating hiatus she didn't think there was any way she could measure up against the competitors. In the back of her mind her ex's hurtful message reared its ugly head: "You can't divorce me. You'll be 25 and divorced with two kids. No one will want you." The thought of starting over and putting herself out there was frightening. But despite the self-doubt, Amanda made it onto Season 20. What nobody knew at the time was that her on-camera date with Ben was her first in almost three years. Talk about pressure! Ever since she made it to the final four on *The Bachelor* and ended up engaged on *Bachelor in Paradise*, media outlets and millions of fans eager to learn Amanda's story have tried to track her down. What's she really like? What's the scoop on her? Was she telling the truth about him? Part memoir, part girl's guide, *Now Accepting Roses* is full of never-before-told stories from behind the scenes of one of America's most popular television shows, but this book isn't just for fans of *The Bachelor*. This book is for anyone navigating the crazy and exciting world of finding real love. Amanda also reveals the valuable lessons for life and relationships that she learned after the world watched her look for love on television three times. Everything she now knows about dating she learned from being on *The Bachelor*. Amanda's unique experiences have left her with some hard-earned wisdom to share, including her own rules for dating and how to truly find yourself as she has. Thanks to juggling dating, parenting, and life, she better understands the way dating works and shares how you can find love while prioritizing your own needs. Amanda's friendly, heartfelt guidance will feel like a good friend offering her most personal advice on life, love, and self-care, and her wild stories will rival the juiciest gossip you've ever heard. If you're looking for a love like you've seen on the silver screen that doesn't exist, the good news is that the real thing is so much better. Amanda is more confident than ever in her search for love, and she hopes that sharing her stories and insights will help you find it too. **CX**
