S. Lewis,2003-01-01 [Seek Ye First the Kingdom](#) John E. Vogel,2016-05-18 This book was written for the Christian who feels there is something missing in their walk The Christian who has accepted Christ who has given their lives to Him but yet feels that they are really not where they need to be This

book was not written to make you feel good about yourself nor was it written to tell you that you are just fine where you are in your walk If you want to feel complacent in your walk then you need look somewhere else because this book will surely step on toes This book will challenge you to step outside of your comfort zone and step outside of the religious nature of Christianity to really examine what God requires of you for you to be considered a disciple of Christ In essence this book was written to challenge you to be more than a mere Christian to coin a phrase from C S Lewis and to become a true follower of Christ To do more than pay lip service be more than a sunday Christian to actually turn your life over to the one who gave His life for you As the introduction says there are many people who will read this book and get nothing out of it There are some who might read the book then consider it worthless or read it out of curiosity to see if there is anything for them but then when the book calls for sacrifice or suffering throw the book away Many are fine when they are told all of the great things God has given them but when it comes to learning about what God requires of them they lose interest quickly Within the pages of this book the author challenges you to examine your own faith or rather your own walk with Jesus Christ It will challenge you to rethink many things to reexamine your own beliefs about things such as Love Prayer The Bible The Church and Worship By the time you have finished this book you will not be the same person you were when you started reading it if you are truly desirous to serve God If you are happy in your religious service in being a part time Christian or in following the crowd then you might as well not download or read this This book was not written for the timid for those who simply are content on being a part time Christian who are content on just acting the part but have no intention of getting deeper of going the distance this book is not written those who don t want to grow But if you want to really know God If you want to really grow in your faith to go beyond the scope of Mere Christianity to be what God has called you to be then please download this book read the message herein and follow those things given to you by the Holy Spirit If you are ready to become what you were created to be if you are ready to be what God says you can be if you are ready to start down that narrow path that Jesus has beckoned you to walk then this book will help you find that path or rather His Holy Spirit will help you through this book His Holy Spirit will show you through this work which is based on Scripture throughout how to forget those things which went before casting aside all worry and doubt and to seek ye first the Kingdom of God
