The Message of the Masters Frank Hugh O'Donnell, 2015-07-12 Excerpt from The Message of the Masters A Legend of Aileach This is not the poem of a rebel Rebellion implies government The thing which infests Ireland has been called a cancer It is not a government This is not the book of an enemy of the English nation I have always sought the welfare of the masses of the English people This is not the fabrication of a partisan All is historical fact in the present as in the past I have placed in the mouth of the Masters the denunciation of the Huns and Vandals of Tudor and Cromwell I have not concealed the O Connellite imposture nor the poor pretence of Parnellism About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Literary World*, 1901

The Publishers Weekly, 1982 **The Great Message, Vol. 5** J. E. Richardson, 2017-12-23 Excerpt from The Great Message Vol 5 A Definite Message From the Great School of the Masters to Humanity Harmonic Series The great school OF the masters came into existence as a definite organic entity The exact time of its birth as an organization is so remote that it is not within the range of historic certainty and can therefore truthfully be said to be prehistoric The remoteness of its antiquity however may be safely assumed from the suggestion that it is said to have a record history of more than years If this be any where nearly correct it would seem justly to entitle the School to the designation of Ancient Indeed a record history of years would establish sufficient antiquity for all practical purposes About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

GEORGE A. SAHLIN,2022 **The Master Mummer (Classic Reprint)** E. Phillips Oppenheim,2015-07-08 Excerpt from The Master Mummer Sheets of virgin manuscript paper littered my desk the smoke of much uselessly consumed tobacco hung about the room in a little cloud Many a time I had dipped my pen in the ink only to find myself a few minutes later scrawling ridiculous little figures upon the margin of my blotting pad It was not at all an auspicious start for one who sought immortality There came a growl presently from the other side of the room where Mabane attired in a disreputable smock with a short black pipe in the corner of his mouth was industriously defacing a small canvas Mabane was tall and fair and lean with a mass of refractory hair which was the despair of his barber a Scotchman with keen blue eyes and humorous mouth amply redeeming his face from the plainness which would otherwise have been its lot He also was in search of immortality Make a start for Heaven s sake Arnold he implored To look at you is an incitement to laziness The world s full of things to write about Make a choice and have done with it Write something even if you have to tear it up afterwards I turned round in my chair and regarded Mabane reproachfully About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Friends of the Master (Classic Reprint)* Arthur Foley Winnington-Ingram,2017-11-22 Excerpt from Friends of the Master This Volume is grouped under the following heads The West End Mission Addresses to Men Addresses to Women and Girls Sermons on Special Occasions 336 pages Crown 8vc About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in

The Master (Classic Reprint) J. Wesley Johnston, 2019-03-11

Excerpt from *The Master* Nor did he care how the people regarded him. He could sit therefore at the place of custom unmoved, inexorable, merciless. But on the morning of this day he was excited to a degree startling to those who saw him. And not without reason. Standing before him was a man, a raiser of sheep, who held a scrap of parchment in his hand on which some figures had been written, these figures representing duties he was required to pay. He was taller than the average man, stockily built, robust, his appearance in every way suggesting vigorous outdoor life. If I Should Meet the Master (Classic Reprint) George Thomas Smart, 2018-01-24

Excerpt from *If I Should Meet the Master* More warily still do I have to tread the road to find you in ecclesiastical life. The Church, your Church, has been overzealous to protect you, to defend you, and it has often hidden you in fastnesses whither few could come. I breathed an exotic air as I sought you in the closed gardens of the papacy; my spirit was oppressed, its rights

denied Sometimes I found no Sign of you but merely a simulacrum sitting in your place nay climbing to a place you never sought and dictating yes dictating salvation to men forcing them to keep a regimental step in belief and works Then indeed I missed you and so did others Blessed Francis for one and Wycliffe and Luther About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Divine Master (Classic Reprint) ,2016-08-24 Excerpt from The Divine Master Ibibine Master N 0 man having put his hand to the plough and looking back is fit for the kingdom of god Hast thou forgotten the words which I have spoken Be ye therefore perfect even as your father Which is in heaven is per feet and be ye holy for I am holy Said I ever unto any man Thus far shalt thou serve Me and no further Thus far shalt thou purify thy self and no more Did I mete out to thee with niggard hand the love wherewith I loved thee or the agony wherewith I bought thee If I had sought to stint the measure of My Atonement for thy sin what power should have saved thee from the nethermost hell O child of thankless heart Darest thou with tearless eyes speak to Me of those who owing Me no more than thou dost owe have sought to pay Me with the utter most surrender of that life which thou wouldst share between Me and My enemies Weep rather weep in sackcloth and in ashes that even the imperfect service of thy fellow man doth shame thy black ingratitude for thou knowest that I loved not them more entirely than I have loved thee when My life blood was spent for all alike About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Master of Repartee Cyrus Townsend Brady,2018-01-21 Excerpt from The Master of Repartee And Other Preachments Long and Short May whosoever reads them get some good some help some inspiration out Of them If that prayer be granted in any degree I shall be both happy and satisfied About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are

B. H. Bruner, 2015-07-18 Excerpt from Evenings With the Master In the Cool of the Evening In the cool of the evening when the low sweet whispers waken When the laborers turn them homeward and the weary have their will When the censers of the roses o'er the forest aisles are shaken Is it but the wind that cometh o'er the far green hill For they say tis but the sunset winds that wander through the heather Rustle all the meadow grass and bend the dewy fern They say tis but the winds that bow the reeds in prayer together And fill the shaken pools with fire along the shadowy burn In the beauty of the twilight in the Garden that He loveth They have veiled His lovely vesture with the darkness of a name Thro His Garden thro His Garden it is but the wind that moveth No more but O the miracle the miracle is the same In the cool of the evening when the sky is an old story Slowly dying but remembered ay and loved with passion still Hush the fringes of His garment in the fading golden glory Softly rustling as He cometh o'er the far green hill Alfred Noyes About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
