Is God a Misogynist? David Wilber, 2020-02-17 Secular feminists claim that Christianity is a misogynistic religion and that the Bible is bad for women Are these claims true

Would women be better off if we all became atheists Is the God of the Bible portrayed as a sexist who prescribes female inferiority by divine decree What does the Bible actually teach about the value and personhood of women David Wilber's book *Is God a Misogynist Understanding the Bible's Difficult Passages Concerning Women* explores these questions and uncovers God's true heart toward women as revealed in the Scriptures This book addresses common objections to the Bible from modern feminism does the Bible really endorse polygamy sanction rape regard women as property etc in addition to bringing correction to unbiblical doctrines that are pushed by some segments of the Church Wilber's thoughtful and balanced approach to the Scriptures helps the reader understand how to reconcile difficult passages with the goodness of God who has revealed Himself to be a lover and protector of women

The Baptist Home Mission Monthly, 1897 **The Alternative** Yehuda Schwartz, 2010 A must read on the subject of Moshiach The Alternative is a halachic analysis of the unfolding global and empirical Messianic events involving Yisrael and the nations Rabbi Yehuda Schwartz the author presents a significant alternative to the rallying call of We want Moshiach Now delving into the halachic implications of the State of Israel's resurrection in 1948 on its ancient homeland Until now most students of the Redemption have only been taught half the possibility for Redemption which is the *achishena* the hastened mode mainly because of political exigency Within halachic parameters The Alternative describes the *be itoh* probability in its proper time and as verified by empirical events of the last six decades of the State of Israel The new school of thought no longer speaks of the coming of Moshiach Rather modern understanding supports the probability that the Jewish nation returned to its homeland through a series of natural events is now preparing its infrastructure for the eventual appointment of the King of Israel by the future Sanhedrin Rabbi Schwartz for 30 years a student of the Gaon Harav Chaim Zimmerman zt"l has built this book based on the end of the Gemara Sota describing the End of Days and the depiction of the *ikvata de Meshicha* the footsteps of Moshiach and the beginning of the Gemara Megilla describing the *atchalta de Geula* the beginning of the Redemption and the logical process that follows that beginning The significant difference in the language

used and its implications for all mankind form the basis for this book
