**Mentoring in Nursing** Sheila C. Grossman, 2007-02-19 2007 AJN Book of the Year Winner Designated a Doody's Core Title Mentoring in Nursing will help inspire a more cohesive flexible and empowered nursing force whether in academia the hospital unit or health care facility Featuring Definitions and components of the mentoring process Models and strategies classic multiple and peer mentoring precepting coaching or shadowing models Mentor and mentee perspectives Best practices in nurse mentoring including multicultural competency Mentoring evaluation tools It is incumbent then on all of us in the helping professions to be cognizant of the need for continued support and guidance of the elders but the elders must also listen and learn from the young and the young must help each other if the profession's covenant with the public is to be kept From the Foreword by Grayce Sills PhD RN

Textbook of Nursing Management Dr. Sudhir Kumar, Dr. Uma Kole, Mrs. Swati Kurane, Mrs. Upma Sharma, Prof. S. Sivappriya, 2024-05-24 Administration as an activity is as old as society But it began as a field of study in 1887 with the publication of Wilson's Essay on the Study of Administration As a process administration occurs in both public and private organizations This happens in various institutions like business firms labor unions religious or charitable organizations educational institutions etc Its nature is influenced by the region to which it belongs Administration is generally divided into two types public and private administration As an aspect of government activity it has existed since the emergence of the political systems While public administration deals with the activities carried out by the government private administration refers to the management of private business enterprises The meaning is sufficiently suggestive as it emphasizes on the administrator that he should consider himself as a servant not as a master taking care doing all the work Administration is a process that affects all collective endeavours whether public or private civil or military otherwise large scale and is universal in nature It is a collective effort directed towards the achievement of consciously determined objectives Since administration pervades all planned human activities it is at the center of all human affairs Its major aspects are formulation of policy and its implementation to achieve the stated goals in the form of service or products in an optimal manner Administration is an activity that demands correct analysis and precise orientation
