LONGEVITY A Personal Journey is my story about the passion I have for fitness and exercise and to provide information that I
feel is useful in today's fast pace world. It's more than illustrations and descriptions of exercises. It's my desire to share the
amazing changes that happen to people not just physically but emotionally and spiritually as well. From witnessing teenage
high school students experience for the first time their strength potential to those who are middle age on the edge of
becoming a candidate for requiring prescription medication to needing no medication at all and finally seniors who were
fragile become fit, energetic and agile. It's so extremely motivating that I became inspired to undertake this project and share it
with you. FITNESS HEALTH AND LONGEVITY A Personal Journey takes you into my life as a personal trainer, strength and
conditioning coach and a person whose life changed dramatically once my calling was realized and fulfilled. I share my
discovery that because we all are body, mind and spirit, you too can expect dramatic changes in your life. Time to sit back, relax
and enjoy reading this book. Then check with your health care provider, get up off your backside, start moving and enjoy your
personal journey to fitness, health and longevity.
