## Visit to the zoo

I recently went on a visit to the zoo, and it was so much fun! I saw all sorts of amazing animals, including lions, giraffes, and monkeys. My favorite part was seeing the elephants, because they were so big and majestic. I also got to see a baby elephant, and it was so cute and playful. I also saw some flamingos, and they were so colorful and graceful. The zoo was a great place to learn about all the different animals and see them up close. I can't wait to go back and see even more amazing creatures.

Simplified Signs: A Manual Sign-Communication System for Special Populations, Volume 1. John D. Bonvillian, Nicole Kissane Lee, Tracy T. Dooley, Filip T. Loncke, 2020-07-30 Simplified Signs presents a system of manual sign communication intended for special populations who have had limited success mastering spoken or full sign languages It is the culmination of over twenty years of research and development by the authors The Simplified Sign System has been developed and tested for ease of sign comprehension memorization and formation by limiting the complexity of the motor skills required to form each sign and by ensuring that each sign visually resembles the meaning it conveys Volume 1 outlines the research underpinning and informing the project and places the Simplified Sign System in a wider context of sign usage historically and by different populations Volume 2 presents the lexicon of signs totalling approximately 1000 signs each with a clear illustration and a written description of how the sign is formed as well as a memory aid that connects the sign visually to the meaning that it conveys While the Simplified Sign System originally was developed to meet the needs of persons with intellectual disabilities cerebral palsy autism or aphasia it may also assist the communication needs of a wider audience such as healthcare professionals aid workers military personnel travellers or parents and children who have not yet mastered spoken language The system also has been shown to enhance learning for individuals studying a foreign language Lucid and comprehensive this work constitutes a valuable resource that will enhance the communicative interactions of many different people and will be of great interest to researchers and educators alike
