Advertising and Sales Promotion Dr. Bhuwan Gupta, Sweety Dubey, Advertising sales promotion today has become the pillars of marketing success. Most of marketer's effort evolves round performing these activities. Hence the clear and thorough understanding of these entire elements has become a pre requisite of success for marketers. Keeping in mind the above perspective an idea of designing a comprehensive book came in our mind 5 years ago. After discussing from the academicians and practitioners of the industry we planned the book named Advertising and Sales promotion. This book specifically written for students of MBA 3RD SEMESTER Rajasthan Technical University. However it will also prove useful for the students of other universities. In the preparation of this text we have consulted various renowned authors and other publications for information on subtle issues. We are highly thankful to them. I shall be failing our duty if we do not appreciate the contribution of our family members for their encouragement and continued support in completing the text. We are highly thankful to Vandana Publications who took a lot of interest in publishing this text with great interest and enthusiasm. We are highly rewarded if this book fulfills the expectation of students and various interest groups. We invite suggestions for the improvement in the text from the students learned teachers and marketing practitioners so as to make it more useful in years to come.
