**Metaphysical Bible Dictionary** Unity School of Christianity, 1942 *The Revealing Word* Charles Fillmore, 2022-11-13 In *The Revealing Word* Charles Fillmore presents a comprehensive exploration of metaphysical terminology within the framework of Unity philosophy. Employing a clear and engaging style, Fillmore systematically defines and elucidates over 350 spiritual terms, illustrating their significance in understanding human consciousness and divine potential. The book serves as both a reference guide and a spiritual lexicon, framed within the context of early 20th-century New Thought movement, an era marked by a burgeoning interest in personal empowerment and the application of spirituality in everyday life. Charles Fillmore, co-founder of the Unity Church, built his theological insights on his personal experiences and profound spiritual awakenings. His journey from a struggling businessman to a transformative spiritual leader profoundly influenced his writings, enabling him to distill complex metaphysical concepts into accessible language. Fillmore's vision was characterized by a strong sense of inclusivity and a belief in the transformative power of the mind, which he articulated through his teachings and writings. Readers seeking deeper understanding of spiritual principles and their practical applications will find *The Revealing Word* to be an invaluable resource. Fillmore's insights foster self-discovery and empower individuals to engage with their spiritual journey, making this book essential for anyone intrigued by metaphysical thought and the dynamics of personal transformation.
