Mining In Cornwall And Devon Mines And Men:

Mining in Cornwall and Devon Roger Burt, Ray Burnley, Michael Gill, Alasdair Neill, 2014 Mining in Cornwall and Devon is an economic history of mines mineral ownership and mine management in the South West of England. The work brings together material from a variety of hard to find sources on the thousands of mines that operated in Cornwall and Devon from the late 1790s to the present day. It presents information on what they produced and when they produced it who the owners and managers were and how many men women and children were employed. For the mine owners managers and engineers it also offers a guide to their careers outside the South West in other mining districts across Britain and the world. A long section on the Duchy of Cornwall provides details of the Duchy's role as the largest mineral owner in the South West and of the modernisation and changing administration of the Stannaries. The printed book provides a guide to the sources their interpretation and how they illustrate the long term development and decline of the industry the composite mine by mine tables are presented on an interactive CD included free with the book. *Mines and Miners of Cornwall and Devon* Anthony Burton, 2020-08-30 Tin mining has existed in Cornwall and parts of Devon from before the Romans arrived in Britain this volume which is Anthony Burton's one hundredth book marks a milestone in the author's writing career. The book takes the story of Tin Mining from its earliest period through to the present day looking at how the industry developed from basic primitive pick and shovel operation to the later use of explosives and steam to extract the valuable ore. The book also looks at the politics economics and technology available at different periods of the history of the tin mining industry. The volume has many new illustrations and has been thoroughly researched to produce a new insight into this interesting old industry.
