A Young Ministers' Training Manual Dayo Brown,2023-03-15

By divine design God expects every one of his children to end up working for him and serving him by using their God given potentials The problem with this is that many of the brethren lack the proper training and equipping necessary to render quality or reasonable service to God We must realize that not every service attracts a reward from the Lord Rom 12 1 There is a how to serve God It is not just enough to know what you desire to do or why you desire to do it until you know how to do it then no quality work will be done The burden of many Pastors and ministry leaders would be reduced somewhat if only they had a competent well trained and spiritually furnished work force By the leading of the Holy Spirit I have over a period of more than 30 years developed this quality Leadership Training Manual for Church and Ministry workers I have been blessed and privileged to have conducted several Training Seminars and Workshops for leaders in hundreds of churches across the USA Europe Africa and Asia The subjects covered in this manual are designed to be very practical and to prepare a people who are prepared to serve their generation The aim is to equip men for real impact in ministry and to furnish the spirit soul and body ready for qualitative kingdom service More than a mere head knowledge of theology and a paper certificate in the hand this training manual is a hands on drill for excellence in everyday ministry
