**Your Ministry Matters** Ted Brancheau,2010-04 Why am I here What am I called to do Do I even have a call or purpose Do my actions or ministries in my local church have any real impact on eternity Throughout history believers have struggled over these questions and more Thankfully there are answers available to all who seek the truth Join author pastor and missionary Ted Brancheau Jr in Your Ministry Matters Imagine knowing with surety what you're called to do and where you're called to do it Experience the simplicity and fullness of what God himself has equipped you to do Many are convinced that their work is not important But to God everyone is equally significant and he has a purpose and plan for every piece in his puzzle Perhaps you hold the key to harvest and revival in your pocket Your Ministry Matters explains how you can find out When we hear the word ministry it typically brings to mind the pastor teacher or evangelist That's real ministry right Not so fast God himself supernaturally calls every person in the body of Christ to ministry Whether you are an eye in the body or the smallest toe God has plans power and glory ready to enable you to do his will No matter what you do in the local church from handling the parking lot to preaching from the pulpit you have a ministry that matters

the church into change that cuts across governance formation and ministry While the institutional church struggles with its structure and purpose working to change its reality and perception the book suggests that there are diaconal leaders who have been working all along for this kind of change The book chronicles ways in which one church order has grown matured adapted adjusted and is as effective as it is because of its dynamic nature It is hoped that other orders might learn from the importance of being adaptable contextual and baptismal while highlighting the primary lens deacons look through as they seek to fulfill what the church has called them to do
