Stacey York, 2003-06-01 *Roots and Wings* will open doors to beginners in cultural diversity education and will enrich the more experienced readers. It is a grand tool for assisting early childhood educators to address the many faceted and complex issues of cultural diversity and racial prejudice. I recommend this book to any teacher, caregiver, or parent who wants to begin learning what it means to foster young children's respect for themselves and others. Louise Derman Sparks, author *AntiBias Curriculum*. More than a decade ago *Roots and Wings* was published as the first practical resource for early childhood teachers on the then new topic of multicultural education. This invaluable guide is now completely updated to respond to present day anti bias issues in educating young children. *Roots and Wings* provides a thorough, clear, and practical introduction to working with diverse children and families in early childhood settings. With more than 100 new and revised activities, practical examples, and staff training recommendations, the revised edition includes new chapters on bilingual education, culturally responsive teaching, and children and prejudice. Seamlessly blending theory and practice, *Roots and Wings* is an ideal resource for preschool teachers, early childhood programs at colleges and universities, and training workshops. Stacey York is an instructor in the Child Development Department at Minneapolis Community and Technical College, Minneapolis, Minnesota. She conducts multicultural workshops around the country and is also the author of *Big As Life: The Everyday Inclusive Curriculum*, *Quill & Quire*, 1998; *The Pall Mall Budget*, 1886; *NTSU Books*, 1981; and *A Biographical History of Eminent and Self-made Men of the State of Indiana ...*, 1880.
