

*endless. God got fed up with this list. He wanted to escape from man. He tried to hide under the sea. Unfortunately for God, man created submarine and caught hold of Him. Then God tried to escape to moon. He was peaceful there till the first man landed on moon. God was worried. Based on the advice of his councilors, He finally found a safe place to hide - in the Spiritual Heart of human beings. So far God is safe there. People are searching for God in various places ... Temple, church, mountain and sky.*

We are ignorant of our True Nature. Instead of experiencing the Bliss and Peace of our Higher Self, we suffer. We are stuck to our lower self. Fortunately for us, there is a way out of this suffering. We can choose to drop our identification with the lower self to establish in the blissful consciousness of our Higher Self. For this, it is necessary to understand our spiritual heart in greater detail before we proceed with our spiritual journey.

The spiritual Heart has four components as shown in the figure below.
