Miracles Can Be Yours Today Pat Robertson, 2006-02-22 Pat Robertson has seen heard of and been touched by thousands of miracles in his life and others many of which he shares in this book but all of which provide a remarkable testimony of God's love for us Robertson will also explore the miracles of Jesus show the difference between positive thinking and true faith and discuss the proven principles of miracles so that we too may live a miraculous life touched by God **Miracles and the Miraculous**, 1885 **Sacred Images and Sacred Power in Byzantium** Gary Vikan, 2003 In these studies Gary Vikan has opened new perspectives on the daily life and material culture of Late Antiquity more specifically on icons and relics and on objects revealing of the world of pilgrimage the early cult of saints and marriage He contextualizes these familiar categories of object in the patterns of belief and ritual extracted from contemporary texts and the objects themselves in order to understand their meaning within the everyday lives of those by whom and for whom they were made The studies give a nuanced delineation of the inherently ambiguous boundary between conventional religion and magic noting repeatedly those instances wherein the two are invoked in the same breath and by way of the same art object toward the same end From this historically constructed matrix of art belief and ritual the author derives an anthropologically defined paradigm of charisma and pilgrimage applied in one essay as an intriguing parallel to deconstructing the world of a contemporary secular saint Elvis Presley **The Works of Orestes A.
