Joe Conzo, David A. Perez, 2010-10-28 Joe Conzo and David A Perez luminously recreate the life of widely acclaimed Afro Cuban and jazz musician Tito Puente in the biography *Mambo Diablo My Journey with Tito Puente* The authors chronicle the life of the popular and combative New York Puerto Rican multi talented musician and entertainer who climbed from his obscure and poor environment in East Harlem El Barrio New York to international fame and recognition Countless stories have been written about Tito Puente's percussive musical abilities but rarely has the talent intuition mishaps and controversies been presented in a vivid and personal biography Joe Conzo was Tito's close friend confidant and chronicler for nearly 40 years no one was closer to Tito or knew him better not even his family Joe tells the story of a man and his music the way it has never been told David A Perez sets down Joe's personal recollections and fits them into the context of the social milieu and revolving world Hundreds of articles have been written about Puente and three books Powell Josephine Tito Puente *When The Drums are Dreaming* Authorhouse 2007 Information re Tito is based on her conversations with Tito Puente The book is self published and chronicles many of his activities on the West Coast There are many inconsistencies mis quotes and errors of fact Loza Steven Tito Puente and the Making of Latin Music University of Illinois Press 1999 A technical work that is based on interviews with people who knew Tito The life of Puente is glanced over the musicians he worked with are almost overlooked Joe Conzo is among those interviewed Payne Jim Tito Puente *The King of Latin Music* Hudson Music 2000 Is presented as an overview of Tito Puente's music and includes a DVD with footage of Tito discussing his 50 year career Joe Conzo provided much of the information for this endeavor record some of his achievements None of them touch on the personal life of the man expose his weaknesses reveal his intensity for perfection and describe the musical brilliance in such a delicate and personal way Joe and David reveal the inner Tito Puente through his music his musical associations and present a man that is more than a flamboyant percussionist Tito played piano and he played it well Tito played the saxophone and often sat in the sax section of his orchestra Tito played the vibes and had an incomparable style that was exciting romantic and jazzy He composed about 500 tunes probably more And yet in the realm of American jazz historians writers and critics ignore brush over and avoid the importance of Tito's music and his contributions A prime example of this is Ken Burns's television documentary about jazz he virtually ignores Afro Cuban music Afro Cuban jazz Joe and David reveal Tito's rightful place in the history of music and give an unbiased on the mark portrait of Puente's complexities like no book before it Author and journalist Pete Hamill sets the stage for the journey in the preface
