The Bible Translator ,1971      **The Awakening Coast** Karl Offen,Terry Rugeley,2014-06-01 The indigenous and Creole inhabitants Mosquitians of African descent of the Mosquito Reserve in present day Nicaragua underwent a key transformation when two Moravian missionaries arrived in 1849 Within a few short generations the new faith became so firmly established there that eastern Nicaragua to this day remains one of the world s strongest Moravian enclaves The Awakening Coast offers the first comprehensive English language selection of the writings of the multinational missionaries who established the Moravian faith among the indigenous and Afro descendant populations through the turbulent years of the Great Awakening of 1881 to 1882 when converts flocked to the church and the mission s membership more than doubled The anthology tracks the intersection of religious political and economic forces that led to this dynamic religious shift and illustrates how the mission s first fifty years turned a relatively obscure branch of Protestantism into the most important political and spiritual institution in the region by contextualizing the Great Awakening Protestant evangelism and indigenous identity during this time of dramatic social change      *A Translator's Handbook on the Gospel of Mark* Eugene Nida,Bratcher,1961-06      **Dictionary of the English and Miskito Languages** H. **Taking the Word to the World** Edwin Hanton Robertson,1996 This is the story of the individual men and women who over the last half century have built up one of God s greatest movements in the history of the church a movement of national Bible Societies supplying God s Word in nearly every country in the world The story is one in which the unity if the work has made miracles possible of closed doors being opened of rich and poor and great and small nations becoming equal partners in a world enterprise Taking the Word to the World tells how Protestants and Catholics cooperate to produce a common Bible in many languages and how a casual remark at a Chinese banquet led to the Amity Press which within ten years printed ten million Chinese Bibles in China for China
