Miss Smith And The Haunted Library:

Miss Smith and the Haunted Library Michael Garland, 2009-08-20 A wonderful Halloween adventure with Miss Smith and her students Miss Smith's students know to expect the unexpected when she reads from her magical book. This time Miss Smith takes her kids to the eerie library down the block and introduces them to the weird librarian Virginia Creeper. But per usual storytime is never ordinary when reading from Miss Smith's Incredible Storybook. And what starts out as a run of the mill field trip soon becomes a full out monster bash.

School Library Journal, 2009 **A to Zoo** Rebecca L.

Thomas, 2018-06-21 Whether used for thematic story times, program and curriculum planning, readers advisory or collection development, this updated edition of the well known companion makes finding the right picture books for your library a breeze. Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services and this new edition does not disappoint. Covering more than 18 000 books published through 2017, it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically, this reference applies more than 1 200 intuitive as opposed to formal catalog subject terms to children's picture books, making it both a comprehensive and user friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections, to find books on particular topics for young readers, to help teachers locate titles to support lessons or to design thematic programs and story times. Title and illustrator indexes in addition to a bibliographic guide arranged alphabetically by author name further extend access to titles.

The Haunting of Borley Rectory

Sean O'Connor, 2022-10-13 Marianne Foyster Harry Price and the most haunted house in England the perfect read for Halloween. In 1928 Eric and Mabel Smith took over a lonely parish on the northern border of Essex. When they moved into Borley Rectory Mrs Smith made a gruesome discovery in a cupboard a human skull. Soon the house was electric with ghosts. Within the year the Smiths had abandoned it and the Rectory became notorious as the most haunted house in England. When Reverend Lionel Foyster moved in he experienced a further explosion of poltergeist activity with an increasing violence directed at his attractive young wife Marianne was a passionate and sensuous woman isolated in a village haunted by ancient superstition and deep rooted prejudice. She would be accused not only of faking the ghosts but of adultery, bigamy and even murder. The haunting, sensationalized and reported in the tabloid press, gripped the nation. It was investigated by Harry Price a self-made psychic detective. This was the case that would make Price's name as the most celebrated ghost hunter of the age. He recorded the evidence of 200 witnesses to over 2 000 supernatural incidents. This surely confirmed that not only did ghosts exist but finally here was proof of life after death. With the tension of a thriller and the uncanny chills of a classic English ghost story Sean O'Connor brings the story of Borley Rectory to vivid life as an allegory for an age fraught with anxiety haunted by the shadow of the Great War and terrified of the apocalypse to come. Borley Rectory is perhaps the definition of
