assigned a seat in the examination room by a member of the test site staff You will not receive a break during the
examination If you need to use the rest room or if you become ill you may leave the examination room but you must first give
the test supervisor your identification documents before you leave the room If you do leave the room you will not be allowed

Fill out your name exactly as it appears on your identification documents unless otherwise instructed Remember to write in

You will be marking your answers on the side two of your answer sheet Each numbered row will contain four ovals
corresponding to each answer choice for that question Fill in the oval which corresponds to your answer darkly completely
and in a neat manner You can change your answer but remember to completely erase your old answer Only one answer
should be marked This is very important as your answer sheet will be scored by machine and stray lines or unnecessary
marks may cause the machine to score your answers incorrectly Only work on the section of the test which the test instructor
has instructed you to work on You should begin only when instructed to do so and stop immediately when instructed to end
Do not turn to the next section of the test until you are told to do so When all of the sections have been completed you should
