The Davenports Kim Law,2023-04-10

Family drama never took so many twists and turns Romance has never been so emotional Welcome to the world of the Davenports The Davenports can do no wrong Everyone loves them Expectations are high and always met This is my big multi generational political family but these are not political books There are three siblings in this generation of Davenports and that's what these books are JP Cat and Bennett's love stories Three sweeping romances that'll make you smile that'll turn you on a little and that will have you cheering each couple to the finish line Only what none of the siblings expect are the secrets that start tumbling from their family closets In book one it's a crack in the surface Unexpected and certainly not good but something the family can handle Reality hits in book two with the discovery that one little secret was merely the tip of the iceberg Bonds are tested as more lies are exposed and some bonds are broken Some will bring you to tears Book three is the culmination of all that's come before it The oldest sibling retires from the Army and returns home ready to face the truth that

sent him packing twenty years before However there s one last twist in the Davenport saga One scandal they could have never seen coming And that scandal and that book was one of my favorite things ever to write Caught on Camera JP is the man of the moment a member of the powerful and untouchable Davenport family Vega has a past she s not proud of and has worked hard to bury it When the two are thrown together and chemistry ignites they learn that secrets have a way of coming out Secrets which could ruin the lives they ve built and jeopardize any chance of having a future together Caught in the Act Catherine vows to take a vacation from her drama filled family and when she arrives in the small Maine town she s surprised to find none other than her first love Falling back into the arms of Brody ensures her vacation becomes her salvation but will their relationship survive when being together uncovers the biggest Davenport scandal yet Caught off Guard Bennett retires from the Army wanting nothing more than a night with his long time hook up Aubrey before facing his mother about a Davenport family secret which has been ignored for too long But when his mother s life is threatened and Aubrey sticks by his side they go from hook up to something more Can Bennett really trust the journalist in his bed Or is Aubrey s true goal to end the Davenport dynasty for good One family saga three emotional romances Read the completed series today
