**Mothers and Daughters** Ilene S. Lefcourt, 2025-12-26 *Mothers and Daughters: The First Three Years* offers a new perspective on female development and the origins of mother-daughter relationship pleasures and stresses. In addition to emotional development and the impact of mothers' childhood memories on mother-daughter interactions, this book explores the enmeshment of personal and cultural themes about being female. Filled with mothers' intimate and surprising insights about the links between their own childhood memories and current interactions with their daughters that lead to solutions to typical mother-daughter conflicts, this book demonstrates the influence a little girl can have on her mother to discover new aspects of herself. In a changing world where women are gaining more social, economic, and political power, this book illustrates how remnants of the past live on in the present. Through the lens of female empowerment, mothers' memories are integrated with societal changes to shed new light on supporting the next generation of women.

She knew it was crazy. Rafael had his pick of glamorous women, and Mikayla was a virgin. But Rafael was intrigued by Mikayla's proposal and immediately presented her with a contract of her duties as his mistress for a year. Top of the list was sharing his bed. What had Mikayla let herself in for? Rafael was an intensely sensual man, and once he'd made love to Mikayla, he might never let her go.

*Seeking Western Men* Monica Liu, 2022-11-22 Commercial dating agencies that facilitate marriages across national borders comprise a \$2.5 billion global industry. Ideas about the industry are rife with stereotypes: younger, more physically attractive brides from non-Western countries being paired with older Western men. These ideas are more myth than fact, Monica Liu finds in *Seeking Western Men*. Her study of China's email-order bride industry offers stories of Chinese women who are primarily middle-aged, divorced, and proactively seeking spouses to fulfill their material and sexual needs. What they seek in their Western partners is tied to what they believe they've lost in the shifting global economy around them. Ranging from multimillionaire entrepreneurs or ex-wives and mistresses of wealthy Chinese businessmen to contingent-sector workers and struggling single mothers, these women, along with their translators and potential husbands from the US, Canada, and Australia, make up the actors in this multifaceted story. Set against the backdrop of China's global economic ascendance and a relative decline of the West, this book asks: How does this reshape Chinese women's perception of Western masculinity? Through the unique window of global internet dating, this book reveals the shifting relationships of race, class, gender, sex, and intimacy across borders.

*Reclaiming the Women of Britain's First Mission to West Africa: Three Lives Lost and Found* Fiona Leach, 2018-11-26

Reclaiming the Women of Britain's First Mission to Africa is the compelling story of three long forgotten women two white and one black who lived worked and died on the Church Missionary Society's first overseas mission at the dawn of the nineteenth century. It was a time of momentous historical events: the birth of Britain's missionary movement, the creation of its first African colony as a home for freed slaves and abolition of the slave trade. Casting its long shadow over much of the women's story was the protracted war with Napoleon. Taking as its starting point a cache of fifty letters from the three women, the book counters the prevailing narrative that early missionary endeavour was a uniquely European and male affair and reveals the presence of a surprising number of women among them, several with very forceful personalities. Those who are interested in women's life history, black history, the history of the slave trade and British evangelism will find this book immensely enjoyable.

*A Case of Kiss and Tell* Katherine Garbera, 2012-08-07. Billionaire bachelor Conner Macafee knows just what he's worth and he's ready to make a deal. Nosy reporter Nichole Reynolds wants him, owner of New York's high end matchmaking service, to spill his guts for her story. He'll tell all when she's in his bed. Nichole needs this scoop. But Conner is so arrogant, so cocky and oh so sexy. Surely she can handle a month in the hot bachelor's arms in a cool penthouse suite for her career. But one kiss from Conner and Nichole knows she's made a huge mistake. Now she wants both the story and the man.
