

Mitosis Cartoon Strip

Directions: You will be making a cartoon strip of the cell cycle.

Before you begin, ask yourself what do good cartoon strips have in common? They are colorful, they entertain you, and they tell a little story all within a window.

You need to do all of these things in your Mitosis Cartoon Strips, be colorful, entertaining, and informative.

In your mitosis cartoon box, you will be describing events in a creative way.

You must have the following:

1. A title box which has the title of your cartoon strip, your name, and the date.
2. A cartoon picture for at least 4 parts of the cell cycle (interphase, prophase, metaphase, anaphase, telophase, cytokinesis).
3. A caption that says something that calls attention to each of the 4 parts of the cell cycle.
4. You must use a different box for each of the 4 parts of the cell cycle.
5. You must have colorful, well drawn pictures that help identify the setting as well as the message you are trying to convey. **No computer graphics/printing allowed! No stick figures!**
6. A description underneath the cartoon window that describes the message you are trying to show.

"Sorry folks, we've reached our maximum occupancy all of a sudden. I don't know if it's the full moon or what, but they're mutating and multiplying like crazy in there."

© 2009 by www.Comics4Schools.com

Comics will be graded based on the following criteria:

- 20 points for properly using each part of the cell cycle in the proper order.
- 5 points for creativity/telling a story while using at least 4 parts of the cell cycle.
- 5 points for neatness in drawing each part of the cell cycle.
- 5 points for colorful depictions of each part of the cell cycle.
- 5 points for accuracy and detail within the pictures.

This is a 40 point lab grade that is due Monday, October 29, 2012. You will have some class time (Monday and Tuesday) to work on this, but the remainder of work you are required to complete on your own time.

Alternative Projects requiring pre-approval for students scoring 90% and above in 1st quarter

1. Tell a story about mitosis (at least 2 typed pages long; 1,500-word minimum). It should be creative and incorporate everyday life into the story (1 person project).
2. Make a movie using your iPod; you will need to create characters and film the event (2 person project). Note: iPod and materials are your responsibility.
3. Create a mitosis song that sings or raps through the phases of mitosis. You will need to video tape yourself (2 person project). Note: both people will need to sing in the video.
