## Teaching PowerPoint

### PREDICTING

We are learning how to make predictions when we read.

#### TO BE SUCCESSFUL

1. We will be able to make predictions about the text.
2. We will be able to use evidence to support predictions.
3. We will be able to reflect on our predictions or change our predictions based on further evidence.

### MAKING PREDICTIONS

What can you predict about this story?

What clues and evidence did you use to make your predictions?

### WHAT IS PREDICTING?

Predicting is when we make an informed guess about what will happen next in the text. To do this we must use evidence from the text. We can also use our life experiences to predict.

### MAKING PREDICTIONS

#### The Great Escape

The explorers were hiking to the highest ridge of the volcano to collect data for science. They walked higher and higher until they finally reached the top and started collecting samples. Just as they were finishing, a warning, the ground beneath them began to tremble powerfully.

What do you predict will happen? What clues did you use to make your prediction?

Great for shared reading
